**Vitamin D helps your immune system stay strong. Eggland's Best has 6 times more vitamin D than ordinary eggs.**

In today's uncertain times, it's more important than ever to maintain a strong immune system. No other egg provides 6 times more vitamin D, 10 times more vitamin E, more than twice the iodine, and 25% less saturated fat. Plus, more of the delicious, fresh-from-the-farm taste everyone loves. Your love for your family isn't ordinary, so why serve ordinary eggs? Give them only the best—Eggland's Best.

Better taste. Better nutrition. Better eggs.®
