Tested to be Trusted.
You have standards. So do we.

Third-party experts test all dietary supplements sold at CVS* to verify ingredients and amounts listed on supplement facts labels.

Supplements are tested to contain the dietary ingredients claimed

Supplements are tested for certain contaminants

We ensure suppliers use manufacturing facilities registered with the FDA**

Visit CVS.com/Trusted to learn more.

*A product sample is tested by an independent third party for certain contaminants and, whenever possible, the identity and potency of dietary ingredients. Excludes pet supplements, products only sold at Navarro locations, and other products that may be dispensed by the Pharmacy. Tests performed on a single lot of the vitamin or supplement. As a result, we cannot confirm that subsequent lots would pass these tests. See details: [CVS.com/Trusted]

**Our suppliers are required to manufacture products in facilities that are registered with the FDA and we ensure our suppliers follow good manufacturing practices.
