Tested to be Trusted.

We think honesty is an important ingredient.

Third-party experts test all supplements sold at CVS\* to verify ingredients.\*

Go to CVS.com/Trusted to learn more.

\*A product sample is tested by an independent third party for certain contaminants and, whenever possible, the identity and potency of dietary ingredients. The vitamin or supplement needs to contain the dietary ingredients and the amount per serving listed in the center of the Supplement Facts panel. Excludes pet supplements, products only sold at Navarro locations, and other products that may be dispensed by the pharmacy. Tests performed on a single lot of the vitamin or supplement. As a result, we cannot confirm that subsequent lots would pass these tests.
