A product sample is tested by an independent third party for certain contaminants and, where applicable, the identity and potency of dietary ingredients. The identity or supplement needs to contain the dietary ingredients and the amount per serving listed in the center of the Supplement Facts panel. Excludes pet supplements, products only sold at certain locations, and other products that may be dispersed by the pharmacy. Tests performed on a single lot of the vitamin or supplement. As a result, we cannot confirm that subsequent lots would pass these tests.
