"I was amazed! Sounds I hadn't heard in years came back to me!"

— Don W., Sherman, TX

How can a rechargeable hearing aid that fits inside your ear and costs only \$149.99 be every bit as good as one that sells for \$2,400 or more?

The answer: Although tremendous strides have been made in Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

The MDHearing™ NEO uses the same kind of technology incorporated into hearing aids that cost thousands more at a small fraction of the price. Satisfied MDHearing customers agree: High-quality, digital, FDA-registered rechargeable hearing aids don't have to cost a fortune. NEO is a medical-grade, digital, rechargeable hearing aid offering sophistication and high performance; and works right out of the box with no time consuming "adjustment" appointments. You can contact a licensed hearing specialist conveniently online or by phone — even after your purchase at no cost. No other company provides such extensive support. Now that you know why pay more?
